### **EXAMINER'S AMENDMENT**

1. An Examiner's Amendment to the record appears below. Should the changes and / or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

Authorization for this Examiner's Amendment was given in a telephone interview with applicant representative, Mr. Dennis G. Lapointe, on April 17, 2006.

2. In the claims:

In claim 1, line 5, the second occurrence of the language "to rest" has been deleted.

In claim 1, line 4, the indefinite term "conventional" has been deleted.

3. In the specification:

On page 4, line 9 of the specification, reference #"26c" has been changed to -26b--.

### ***Allowable Subject Matter***

4. The following is an examiner's statement of reasons for allowance: The amended independent claim recites, a steering column-receiving channel is formed at a predetermined angle relative to the vertical plane when the bottom inside surface is

Art Unit: 3727

disposed in a substantially parallel relationship to the horizontal plane, the predetermined angle is substantially equal to the predetermined angle of inclination of the steering column.

Moreover, the amended independent claim further recites, an elongated portion further including a longitudinal semi-circular portion that engages the steering wheel column in a sandwiched relation with the steering wheel column-receiving channel, the bracket assembly further includes a flange portion on each side of the longitudinal semi-circular portion with a plurality of spaced-apart apertures to insert fasteners to secure the tray to the steering column, wherein the bracket assembly is configured to clamp to an underneath portion of the steering column and the fasteners are insertable through the spaced-apart apertures of the flange portions to secure the tray to the steering column.

Based on amended claims filed on February 14, 2006, the recited structure defines over the prior art on record.

Any comments considered necessary by applicant must be submitted no later than the payment of issue fee and to avoid processing delays should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
